

ICAD PEER MEETING
30th June & 1st July 2022
Frankfurt a.M., Germany | Hybrid Event

Join us and be part of the first Acandis® ICAD Peer Meeting!

This Peer Meeting is all about getting together and exchanging experience and knowledge on ICAD treatment with Key Opinion Leaders from all over the world.

Participate in a highly interesting and scientific discourse with international KOL's online via Zoom.

The sessions will include the possibility to interact with other physicians using a voting tool and chat options.

We will send you the Zoom link one week prior to the Peer Meeting.

We look forward to welcoming you at the conference!
