

# WORKSHOP

## FLOW DIVERTER TREATMENT COURSE

with the DERIVO® Embolisation Devices

11<sup>th</sup> + 12<sup>th</sup> May 2023

at Universitätsklinikum Hamburg-Eppendorf, Germany

**Speakers:** PD Dr. Maxim Bester | Dr. Caspar Brekenfeld | PD Dr. Fabian Flottmann | PD Dr. Uta Hanning

The Hermann Zeumer Laboratory for experimental neuro angiography offers training courses for physicians using anatomical models in a realistic setting.

This training is aimed at neuroradiologists who want to improve their skills in the endovascular treatment of aneurysms with flow diversion devices.

In addition to the basics of flow diversion, the participants will experience the haptics, delivery and deployment of the DERIVO® Embolisation Devices in hands-on-training.
